Dear Parents

### **Mundesley Infant School OfSTED inspection**

You will be aware that Mundesley Infant School was inspected on Tuesday and Wednesday last week by OfSTED. This was a full inspection, hence the two days and is part of the normal cycle of inspections for schools. Jonny Wallace (HMI) and Claire Gannon (OI) worked alongside the school and wider federation team to gain a really clear picture of Mundesley Infant School.

On Wednesday afternoon they shared their findings to the leadership team and governors. Unfortunately we are not allowed to tell parents the outcome yet but we are really looking forward to doing so, once the quality assurance checks have been completed. This can take up to 30 working days. Whilst I know this is frustrating both for the staff team and yourselves, it is part of the process for all schools. Divulging information before this time could incur a reinspection, which none of us want!

Your children were (are) amazing and definitely impressed the inspectors, who commented that they ‘...have a very positive attitude to learning, alongside their good manners and politeness towards each other and adults’. For us, there is no better endorsement of our work!

Yours sincerely,

**Mike Blake | Steve Lunnis**  
Co-Chairs of Governors

**Simon Wakeman**  
Executive Head

**Sophie Bugg**
