Dear Parents/Carers,

Christmas Card Orders

Exciting news! The children have been hard at work creating their very own Christmas cards at school, and they will be bringing home their sample card this week.

To view your child's unique design, simply click [Find your design](#) . When prompted, enter the code found on the back of their sample card (the code is case sensitive).

There is a minimum delivery charge of £1.50, with final delivery costs calculated in your PayPal cart based on the weight of your order.

Be sure to place your order by **Friday 1st December 2024** to ensure delivery before Christmas. Unfortunately, we are unable to guarantee timely delivery for any orders placed after this date.

Kind regards,

Sophie Bugg
Head of Schools
